

Staff Installation Guide for MATLAB Campus Wide License

End Users: Download the Installer

1. Log in to your MathWorks Account at mathworks.com that is associated with your university email address (**{username}@apu.edu.my**). If you don't have an account, create one using your university email address.
2. Click on your profile name in the upper right-hand corner and select Associate License.
3. Enter the **Activation Key: 41909-01476-99446-38969-36465**
4. Click "**Download your products now**" or go to mathworks.com/downloads
5. Click the **download** button for the current release.
6. Choose a supported platform and download the installer.

End Users: Install and Activate

1. Run the **installer**
2. In the installer, select **Log in with a MathWorks Account** and follow the online instructions.
3. When prompted to do so, select the **Academic – Total Headcount** license labeled **Campus**.
4. Select the products you want to download and install.
5. After downloading and installing your products, keep the **Activate MATLAB** checkbox selected and click **Next**.
6. When asked to provide a user name, verify that the displayed user name is correct. Continue with the process until activation is complete.

Need help getting started? You may access [MATLAB Onramp](#), a free interactive tutorial through MATLAB Academy to help you learn MATLAB in 2 hours.

Commercial use of MathWorks products is not covered by our TAH license.
